

SIEGEL -SCHWALL REVIEWS

“Siegel-Schwall puts everything they’ve got into live concerts...
They knock everybody flat.”

Rolling Stone Magazine

“Siegel as a harp virtuoso is all soul and all emotion.
In taste and esthetics the band shines with outstanding performances.”

Boston Globe

“Tremendously exciting...spectacularly virtuosic on harmonica.
There was more creativity in Siegel’s music than in a lot of works of more academic pretension.
Even so, that doesn’t explain the spell he casts.

Siegel is a musician’s musician.

The Province-Vancouver

“Consistently excellent.”

Christian Science Monitor

“Few groups in the world can match them in making an audience feel good
through the sheer joy of their music.”

Chicago Sun Times

“He (Siegel) is absolutely the best rock and blues mouth harp player around.”

Chicago Tribune
